

WOLF<sup>2</sup>TOWN

**Setlist**

Wolftown is not a cover band but while more material is being created we will augment our setlists with cover songs and continue to play a normal mix of covers to please the crowd. If you are booking us and have a special request we are open to discussions but we reserve the right to refuse any modifications to the setlist. Below is a representative setlist:

Good One Coming On

The World Needs a Drink

Come Undone
